**This certificate will expire on: 20 Dec 2021**

**For BUREAU VERITAS,**

At BV BORDEAUX, on 20 Dec 2016,

Mathieu OLIVIER

This certificate is recognized by Transport Canada

This certificate remains valid until the date stated above, unless cancelled or revoked, provided the conditions indicated in the subsequent page(s) are complied with and the product remains satisfactory in service. This certificate will not be valid if the applicant makes any changes or modifications to the approved product, which have not been notified to, and agreed in writing with BUREAU VERITAS. Should the specified regulations or standards be amended during the validity of this certificate, the product(s) is/are to be re-approved prior to it/they being placed on board vessels to which the amended regulations or standards apply. This certificate is issued within the scope of the General Conditions of BUREAU VERITAS Marine & Offshore Division available on the internet site www.veristar.com. Any Person not a party to the contract pursuant to which this document is delivered may not assert a claim against BUREAU VERITAS for any liability arising out of errors or omissions which may be contained in said document, or for errors of judgement, fault or negligence committed by personnel of the Society or of its Agents in establishment or issuance of this document, and in connection with any activities for which it may provide.

No departure from these documents is permitted without the prior consent of the Society.

### 3. TEST REPORTS:

#### LIFERAFT TYPE TESTS

| Number    | Title                           | Issue | Date       |
|-----------|---------------------------------|-------|------------|
| ---       | Tests performed on the Liferaft | ---   | 08/11/2016 |
| 10054/C14 | Markings on the Liferaft Label  | ---   | 17/07/2014 |

#### TOWING FORCE

|                  | With the sea anchor deployed | Without the sea anchor deployed |
|------------------|------------------------------|---------------------------------|
| Towed at 2 knots | 80 daN                       | 35 daN                          |
| Towed at 3 knots | 146 daN                      | 60 daN                          |

### 4. APPLICATION / LIMITATION:

- As per requirements stated on front page of this certificate.
- Maximum capacity: 04 persons.
- The maintenance of the liferaft shall be carried out according to the IMO Resolution A.761 (18) as amended and with instructions stated in the Manual(s) for installation use and maintenance.

| Maximum stowage height (m) | Container                    | Pack | Weight (kg) |
|----------------------------|------------------------------|------|-------------|
| 20                         | Low Profile Container N° 133 | A    | 57          |
|                            |                              | B    | 46          |

**5. PRODUCTION SURVEY REQUIREMENTS:**

Liferafts are to be supplied by **Survitec SAS, France** in compliance with the type described in this certificate.

This type of product is within the category HBV of Bureau Veritas Rule Note NR320.

**Survitec SAS, France** has to make the necessary arrangements to have its works recognised by Bureau Veritas in compliance with the requirements of NR320 for HBV products.

The manufacturer shall institute a quality control procedure to ensure that the inflatable liferaft are produced to the same standard as the approved prototype and shall keep records of any production tests carried out in accordance with instructions given in IMO Resolution MSC.81 (70) Part 2.

Each equipment, or batch of equipment, is to be supplied with its Manual(s) for Installation, use & maintenance and instructions for servicing stations for frequency and tests to be carried out according to IMO Resolution A.761(18).

The servicing stations must be approved by a Recognized Organisation of Transport Canada and must be recognized by the manufacturer according to IMO Resolution A.761(18), for their competences to service and repack such life-rafts.

For information concerning the production phase, **Survitec SAS, France** has declared the following manufacturing place:

**Survitec SAS**

Route de Chatenet 17210 Chevanceaux - France

**6. MARKING OF PRODUCT:**

Instructions, Diagrams, Markings illustrating the use of the **Reduced Capacity Liferafts** shall be printed indelibly (to be both in English and in French)

| Markings on container                            | Markings on inflatable liferaft  |
|--|--|
|  | Maker's name or trade mark.  |
|  | Serial Number  |
|  | Name of approving authority  |
|  | BV type approval certificate number  |
| Number of persons it is permitted to carry       | Number of persons it is permitted to accommodate over each entrance, in characters not less than 100 mm in height of a colour contrasting with that of the liferaft. |
| Date when last serviced                          | Name and place of servicing station where it was last serviced   |
| Type of emergency pack enclosed                  | Date of manufacture (month and year)   |
| Length of painter                                |  |
| Maximum permitted stowage height above waterline |  |
| Launching instructions                           |  |

Provision shall be made for marking each liferaft with the name and port of resitry of the ship to which it is to be fitted, in such a form that the ship identification can be changed at any time without opening the container.

**7. OTHERS:**

This approval is given on the understanding that the Society reserves the right to require check tests to be carried out on the inflatable liferafts at any time, and that **Survitec SAS, France**, will accept the responsibility for informing shipbuilders or their sub-contractors of the proper methods of use and general maintenance of the liferaft and the conditions of this approval.
